

# A & M Journalism Students Will Get Out April 6 Issue Of A. H.

Seven Texas A&M students, relying on courage and journalistic ability, will take over the Hondo Anvil Herald March 29 for one week of practice training.

The April sixth edition of the Herald will be written, edited and supervised by journalism students from A&M. The students will arrive here March 29.

Purpose of the study, according to Wesley D. Calvert, journalism professor at A&M, is to give the college students experience along the line of newspaper management, writing, editing, and general problems a newspaperman faces every day.

Heading the staff will be Ralph Cole, 21 year old agricultural journalism major from Gainesville. Cole has served as reporter, city editor, news editor and managing editor of The Bat-

talion, A&M College newspaper; staff writer, assistant editor, The Agriculturist, magazine of the School of Agriculture; executive secretary of the Southwest Conference Sportsmanship Committee; Corps Public Information Officer; Cadet lieutenant colonel on the Corps Staff; and is past president of the A&M Chapter of Sigma Delta Chi, professional journalistic fraternity.

He plans to enter newspaper work upon graduation in May of this year.

Next in line will be Ronnie Greathouse, 21 year old senior journalism major from Kaufman, who will serve as advertising manager. Greathouse has served as staff writer, sports editor, The Battalion; sports editor, The Commentator; magazine of the School of Arts and Sciences; feature writer for the

Texas Aggie, monthly publication for former students; and a member of Sigma Delta Chi.

Greathouse, who also graduates in May of this year, plans to enter public relations work.

Helping Greathouse in the advertising department will be Jerry Weatherby, 19 year old junior journalism major from Fort Worth. Weatherby is a staff sergeant in the A&M Corps of Cadets and a member of Sigma Delta Chi. He plans to go into pilot training for four years upon graduation from A&M and then into newspaper work.

Mark Smith, 19 year old sophomore journalism major from Dallas, will round out the advertising department. He is a member of the Hillel Club, Spanish Club, Public Relations Group, Aggieband Staff, Commentator staff and The Battalion staff. He

is a corporal in the Corps of Cadets.

Smith has a minor in advertising and plans to acquire a master's degree from Ohio State or Northwestern after which he will work for a weekly newspaper or a metropolitan daily's advertising department. His later ambition is to work with an advertising agency after having gained experience with newspapers.

David McLain, 19 year old sophomore journalism major from Cameron will work with Cole on the editorial side. McLain is a member of the Journalism Club, Milam County Hometown Club, Public Relations Committee, Commentator staff, Texas Aggie Band and a Distinguished Student in the fall semester of this year. He plans to concentrate on advertising or public relations

upon graduation from A&M.

Roy Eckard, 22 year old junior journalism-English major from Dallas will also work on the editorial side. Eckard is editor of the Commentator, member of the Press Club, boxing team and the Aggie Players. He plans to enter publication work upon graduation from A&M.

Barry Hart, 21 year old junior journalism major from LaMarque, will complete the list of editorial writers. Hart, the only married student in the bunch, is vice-president of the Galveston County Hometown Club, lettered in freshman track, assistant sports editor of The Battalion, member Sigma Delta Chi and first sergeant in the Corps of Cadets. He plans to enter publication work in some capacity upon completion of two years of military service.

### FITZSIMON GETS IN CASTRO RACE

CASTROVILLE—Bernard Fitzsimon, Castroville druggist, has announced his candidacy for the office of City Alderman. Although he filed his application too late for his name to appear on the official ballot, he stated he hopes to be elected by a write-in vote.

Fitzsimon is no stranger to the governing problems of Castroville, as he served the City for two years as mayor and an additional two years as alderman.

Wilfred A. Tschirhart notified Mayor Sharp that he is withdrawing as a candidate in Castroville's General Election to be held April 3rd, 1956. Tschirhart had filed an application as a candidate for the office of City Alderman, but states that circumstances beyond his control necessitate his asking that his name be removed from the official ballot.

### ★ IT DID TO BARRY — Does Our Slip Show?

Gremlins and type lice combined their forces and seemed to team up against amiable School Superintendent J. G. Barry in last week's edition of the Anvil Herald.

In Barry's school story concerning use of the new building, a line of metal type dropped in the wrong place giving his original wording a peculiar twist. The lines should have been in this order: "Present plans are to not operate either elementary school north of the railroad after the new school is opened. The new school will house any students, grades one through six, who wish to attend."

And in another spot in the paper, Barry's new grandchild was announced as a girl. The new baby, A BOY named JAMES GORDON BARRY, III, is the son of Lt. and Mrs. Jimmy Barry, who also have another child, a daughter.

### Dr. Fly Gets M. S. In Surgery From Minnesota

Dr. Oreneth Fly Jr. received the degree of Master of Science in Surgery from the University of Minnesota on March 15th.

The son of Mayor and Mrs. O. A. Fly of Hondo, Dr. Fly obtained his B. S. degree in 1940 and an M. D. in 1946 from the University of Texas.

He and Mrs. Fly and their son Billy will be returning to Texas soon and Dr. Fly plans to establish an office at the medical center in Houston.

Known as the Lees Sisters, the singing group has auditioned for a network television show and recently made some recordings in Hollywood. The "Big Haul," which will find some merchants and their employees joining forces with city employees to carry the trash out to the garbage dump, will be between 1 p. m. and 4 p. m. If possible, trash should be in containers to aid the men in getting it on the trucks.

Members of the health and sanitation committee of the chamber of commerce are Dr. Joe Mims, chairman, the Rev. H. Ehlinger, Robert James, Dr. Thos. B. Knopp, Leroy Miller and Chester Schmidt.

### Legion To Buy, Move Building

The building committee of Hal Jones Post, American Legion, was authorized to purchase a 40x108 building from the city's airfield properties commission, and have it moved to a location west of Hondo, not far from the drive-in theater.

The Legion has sufficient funds to take care of the purchase, but will need additional money when they start remodeling and repairing it.

According to the building committee, this plan will give the post a meeting place at less cost than any other means, and the remodeling can be postponed until funds are available.

The decision was made at the regular meeting Monday night.

### MRS. BALZEN HEADS QUIHI CIVIL DEFENSE

According to Dan O'Connell, civil defense coordinator for Medina County, Mrs. Alvin H. Balzen has been appointed director of civil defense for the upper Quihi community.

O'Connell spoke to St. John's Mothers Club in Hondo on Wednesday, March 14, on civil defense.

### HERBERT ZINSMEYER ON TEXAS HONOR ROLL

Herbert G. Zinsmeyer of D'Hanis made the honor roll of the college of engineering at University of Texas, according to a news release from the school.

CASTROVILLE—Mayor Woodrow Sharp, in a proclamation to the citizens of Castroville, has designated the first week of April for the annual Clean-Up, Paint-Up, Fix-Up campaign for Castroville.

In past years, this organized effort by our citizens has brought excellent results, giving every one the opportunity to gather together accumulated trash and have it picked up for their door and hauled away free. Mayor Sharp pointed out, however, that all refuse must be in containers and the pick-up crews will not take garbage. St. Louis Mothers' Club is cooperating with the clean-up campaign by sponsoring a paper drive at the same time.

Club officials urge everyone to gather newspapers, cartons and old magazines and bring them to the school the morning of Thursday, April 5th. Members of the Paper Drive Committee will be on hand to accept them.

Mayor Sharp asks that everyone cooperate in this campaign including cleaning lots and yards, getting rid of old newspapers and rags; thereby removing fire hazards in the home and eliminating breeding places for flies and mosquitoes.

Pick-up crews will work the south side of Highway 90 Thursday, April 5th and the north side Friday, April 6th. There can be no more than just the one run of each route.

Mayor Sharp also takes this opportunity to remind the citizens that The Castro Garden Club Pilgrimage will be held April 8th and the "Travel U. S. Highway Association" will hold their meeting in Castroville on that day also, two good reasons for making this clean-up campaign a real success.

### Cancer Crusade Plans Made

### SHEPPERD SHOULD STAY Editorial

The smoke of Veterans Land has largely been dispelled by time and the flaring of other fires, such as the insurance holocaust, and before the facts are again obscured in the heat of coming political campaigns, we would like to point out something to the credit of one of the principal figures in the Veterans Land episode.

Attorney General John Ben Shepperd suffered a black eye for being an ex-officio member of the board on which the chief culprit sat as chairman and administrator. This is the board on which even Ken Towery, the newsman who uncovered the Veterans Land machinations, said J. Edgar Hoover could have sat without knowing anything was wrong.

Unfortunately Shepperd's undeserved black eye obscured the fact that he led the most sweeping clean-up operation in the state's history, when it would have been a simple matter to cover up anything he wanted to hide by sitting still and letting local district attorneys piece the gigantic puzzle together as best they could. This would have meant their virtual failure.

The Attorney General is not required by law to assume any responsibility for investigating or prosecuting criminal matters. These are left to district and county attorneys where offenses occur.

In the Veteran Land cases, the land was usually in one county, the veterans scattered in others far apart, and cases often had to be tried in still another because it was there that illegal money changed hands. Without central coordination to dig out widely scattered facts, piece them together and lay them in the hands of local prosecutors and grand juries, the job could not have been done.

This function was aggressively assumed by the Attorney General, who was not required to do it, and by doing it he brought on himself more criticism than he would have received by doing nothing.

In a letter to the Attorney General, District Attorney Jim Weatherby of Kerrville, now 38th District Judge, said:

"I wonder if it might not have been better for you politically to have 'sat' on this matter, thus avoiding a lot of the hullabaloo and criticism that followed . . . You chose the difficult, but right, course . . ."

DeWitt County Attorney Wiley Cheatham, who with Ken Towery dug up the first facts of the land schemes, wrote Shepperd:

"I shall always feel that the assistance of . . . your office meant the difference between success and failure, for we on the local level did not have ample man power or the proper facilities to conduct an investigation of such enormous magnitude."

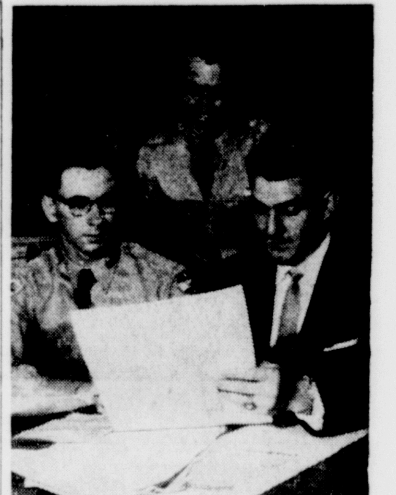

Like praises came from many others, including Bexar County Criminal District Attorney Hubert W. Green, who said:

"Since taking office I have been able to appreciate the tremendous work and investigation done by the Attorney General's office and the assistance given by your office in the Grand Jury proceedings . . ."

Early in the investigation Shepperd brought in highly respected local prosecutors to head the Veterans Land division of his office with complete impartiality. District Attorney Bill Allcorn of Brownwood, interim chief of the Criminal Section of that division, stated:

"It would have been easy for the Attorney General not to have done anything, and the job of local prosecutors would have been much more difficult. Without the efforts of the Attorney General's Office the gathering of scattered information on these complicated land deals would never have been possible."

Jack Howerton's Cuero Record recently observed that Shepperd went all out to cooperate and bring all facts to light, covering up nothing. We would like to join with the Record and a dozen-or-so other Texas newspapers to date, in asserting that John Ben Shepperd should be urged to announce for reelection. We believe he has earned the confidence and respect of the people of Texas.

THREE OF THE SEVEN A&M students who will be here to help get out the April 6th issue of the Anvil Herald are shown at work on plans. They are: Mark Smith and Ronnie Greathouse, seated, and Jerry Weatherby, standing.

## SPEAKING OF SPORTS

By Dr. John H. Jennings

### Hwy. 90 League Begins

Well it is truly baseball time again... for come this Sunday... the Highway 90 League will kick the season off — and a lot of baseball player's wives will gripe but then resign themselves to their fate of having to compete with the horsehide sport. The sad part will find a number of old familiar faces absent due to the "march of time" but on the brighter side will be the coming of new talent and the improvement of other youngsters who will carry on the Hwy. 90 traditions.

### Braves Here Sunday

The Hondo Braves will open the League season with D'Hanis here Sunday at 3 p. m. The game will not be played on Saturday night because the cost to turn on the lights for one game for the month of March would be prohibitive... and too, night ball in March might be a bit too cool. Here is this week's schedule: D'Hanis at Hondo; Castroville at Rio Medina; Quilist at LaCoste; Hondo Air Base — open.

### D'Hanis Edges Braves

Had last Sunday's game been anything but a practice game it would have been one to remember, for the Pirates took the Braves 6 to 5 in 10 innings. The winning run developed like this: Ney was hit by a pitched ball, Huser singled and John "Blue Chips" Tondre laid down a perfect sacrifice to advance the runners to 3rd and 2nd. Then with one out, the next hitter missed his attempted bunt and Ney was caught flat footed off third, but Hondo's catcher Jerry Muennink was a bit too eager with his throw and it sailed over 3rd baseman Jug Wiemers' head... that allowed Ney to jog in with the winning run. Jerry is a fine receiver and will be a good boy for the Braves this year.

D'Hanis had tied the score in the 8th but Harold Schwaers got out of the inning with only one run scoring after the bases had been loaded with no outs. Bernie Koch walked to force in one run and Schwaers fanned Jim Finger to end the uprising.

Fifteen year old, left handed, Louis Lutz was the winning pitcher as he allowed no hits and no runs in the two innings he worked. Harold Schwaers was the loser. The pitching records were like this:

	In.	H	R	SO	W
Harlan Wolff	5	3	2	7	2
Dickie Finger	3	3	3	1	5
Louis Lutz	2	0	0	1	1

Hondo

Merele Wiemers	5	9	1	4	0
Har. Schwaers	5	x	5	x	x

It is interesting to note the ages of the three D'Hanis moundsmen — Wolff, 18 — Dickie Finger, 19 and Louis Lutz 15. These youngsters and others on the D'Hanis roster can be thankful for the fine instruction and leadership they will get from "the old pro" Mgr. Tom Finger. The same can be said of the Hondo youngsters with Harris Parsons at the helm and with H. Finger as his team captain.

The RBI's were something like this: Jim Rogers 2, Laughinghouse 1 and Alvin Hartman 1. For D'Hanis Bonard Rothe 1, Bobby Rothe 1, Bernard Koch 1 and Batot 1.

Score by Innings:

	1	2	3	4	5	6	7	8	9	10
Hondo	1	0	1	0	0	3	0	0	0	0
D'Hanis	0	0	0	0	1	3	0	1	0	1

**Golf Course Activity**

The Hondo Air Base golf course is about the busiest place in Hondo these days. With the hiring of golf pro, likeable Joe Mitchell, interest and activity has reached new heights. I wouldn't be a bit surprised if the place doesn't outgrow itself. Joe is seeing to it that the greens are improving — and the fairway weeds will be a project too — with his knowhow — the course and the running of it will certainly prosper.

Because so many have asked, here is repeat information. A membership fee is \$3.00 per month. For this, a man and his wife can play as many times and as often as they care to. If you do not want a membership, the green fee is 50c. Clubs can be rented at the club house for 25c, so you could play all day for 75c if you cared to. The Club House is well supplied with all your golfing needs, and their costs are all very just and reasonable. The Club House is also well stocked with refreshments.

Though the city or civilian population of Hondo can take no credit for the building of the golf course, Hondo can well be proud of this fine asset to our community and of the always splendid co-operation from TAI and the Military toward the citizenry of Hondo.

**Owls Beat Sabinal**

The Owls took a short warm up game of 5 innings from Sabinal last week 12 to 2. Shortstop W. J. Schwaers did the chunking while Alvin Hartman tried his hand at shortstop. District play is still three weeks off for the Owls.

**Owls Romp At Dilley**

Then last Thursday the Owls really got a base running workout as they took Dilley 24 to 2.

Hondo got about 16 hits plus a number of walks and Dilley errors. Alvin Hartman was the winning pitcher as he threw with Big Schulte working the 7th. All the Owls got in their hits with Pete Angermiller getting a bases loaded triple and Jug Wiemers "lost" one for a home run. We mean "lost" too — for as the outfielders were getting in pre-Easter egg hunting practice looking for the ball in the weeds, Jug kept making his turns around the sacks!

**Odds & Ends**

Golf again... Blanton Taylor pulled a once in a life time feat last week... got a hole in one on the Yoakum Course... but I am having more trouble convincing "my friends" I shot a 41 the other day on the HAB nine holer which was only the fourth time I've been on a course! Cliff Sadler and Captain Earl Gwin are the reluctant witnesses... Monte Williams is off to a fine start with the University of Texas freshmen baseballers — he came up with two triples in an inter-squad game the other day and got an inside the park homer in another...

**Rio Medina Set**

We have word that the Rio Medina Tigers of Hwy. 90 have ironed out their baseball problems and in our opinion have come up with a gem of a solution... they have induced the likeable and well known Oscar Suehs of Castroville to be their Mgr. for this year. Rio has made a fine contribution to Hwy. 90 in the past years and the entire League welcomes the news that they are ready for activity.

**Owls Take Dilley Again**

The Hondo Owls made it two straight over Dilley Hi last Tuesday on a cold, windy, misty day. The score was 11 to 5. Alvin Hartman has his fast ball alive when he needed it as he allowed nine hits and struck out 4. The Owls managed to get their 11 runs from 7 hits, 4 Dilley errors and a few timely walks. Hondo committed two errors.

Six Owls went down on strike outs, four in first inning, as Hartman ended up on third base after striking out! Pete Angermiller made like football season by being the game star as he belted a home run over the left field fence. W. J. Schwaers and Jug Wiemers hit the fence for doubles.

Hartman held Dilley to one run and would have escaped with a 11 to 1 score, but first baseman Richard Schulte dropped a 7th inning 3rd out which opened the door for four Dilley runs.

Mrs. O. A. Fly and Mrs. Richard Reilly are attending a W. S. C. S. meeting in San Marcos this week.
